Welcome to the Orkney 2025 Games Bus Guide

This guide provides an essential introduction to Games-time bus travel, helping you get around Orkney with ease. Inside, you'll find details of the Kirkwall Loops service, designed to link accommodation hubs with key venues across Kirkwall. It also includes an overview of regular public transport connections between Kirkwall and Stromness, St Margaret's Hope, and other key communities along the route, including Stenness, Finstown, St Mary's, and Burray. We've included information on Park & Ride services operating from the Orkney Auction Mart at Hatston in Kirkwall, as well as specific guidance for travel to the Opening Ceremony on Saturday 12th July and the various sporting venues. You'll also find the dedicated travel programme for football teams and golfers with matches around the Orkney Mainland, and rounds scheduled in both Kirkwall and Stromness. This guide is your quick-start travel companion.

Welcome to the Orkney 2025 Island Games Bus Guide

Orkney 2025 promises to be a celebration of community, culture, and competition—set against the spectacular backdrop of our islands. As we welcome teams from across the globe to our unique northern setting, we're proud to deliver a Games that's not only memorable for its sporting achievements, but also for its commitment to low-impact, accessible travel. With venues spread across Orkney Mainland, the movement of athletes, volunteers, and visitors has been carefully designed to be simple, sustainable, and inclusive. Our Games-time transport strategy champions walking and cycling wherever possible, supported by a flexible, reliable bus network that helps everyone reach the action—whether that's a medal-deciding match or a quiet training session on the edge of town.

Your Guide to Getting Around

This bus guide outlines everything you need to know to move confidently during Games week with our transport partner – Stagecoach.

Public and Additional Registered Services: We've added a number of extra buses to support the Games, open to both accredited participants and the public. These supplement the existing Orkney bus network and are timed around key events, including fixtures outside Kirkwall.

Games Closed Services: These are for accredited athletes, officials, and Games staff only. Operating from team accommodation to venues, these routes are timed to match training and competition schedules.

Temporary Changes to Standard Routes: Some regular public services will be rerouted or suspended temporarily to accommodate road closures—during events such as the triathlon, cycling, and the opening parade. All changes will be clearly communicated through printed materials, bus signage, and our online platforms.

Wherever you're going—from sports venues and team bases to cultural sites and community celebrations—we're here to help you get there with ease.

Welcome to Orkney. **Let's travel well—and enjoy the Games together.**
